ROLAS RB MODELS

Every putter precision made to
sit perfectly square with
3.5 degrees of loft and a
headweight of 365g.

RB1 A solid face balanced
half-mallet putter, sole weighted for
more forgiveness, extremely
stable with exceptional feel.
Best suited to moderate to low
face arc strokes.

RB2 A heel toe weighted
blade putter with minimal
toe hang much more face
stable than comparative blade
putters. Best suited medium
to low face arc strokes.

RB3 A face balanced **mallet putter**,
extremely stable and
forgiving with a high MOI,
exceptional feel and distance
control on all face strikes.
Best suited to square to
square strokes with minimal
arc.
